Population % as per gender

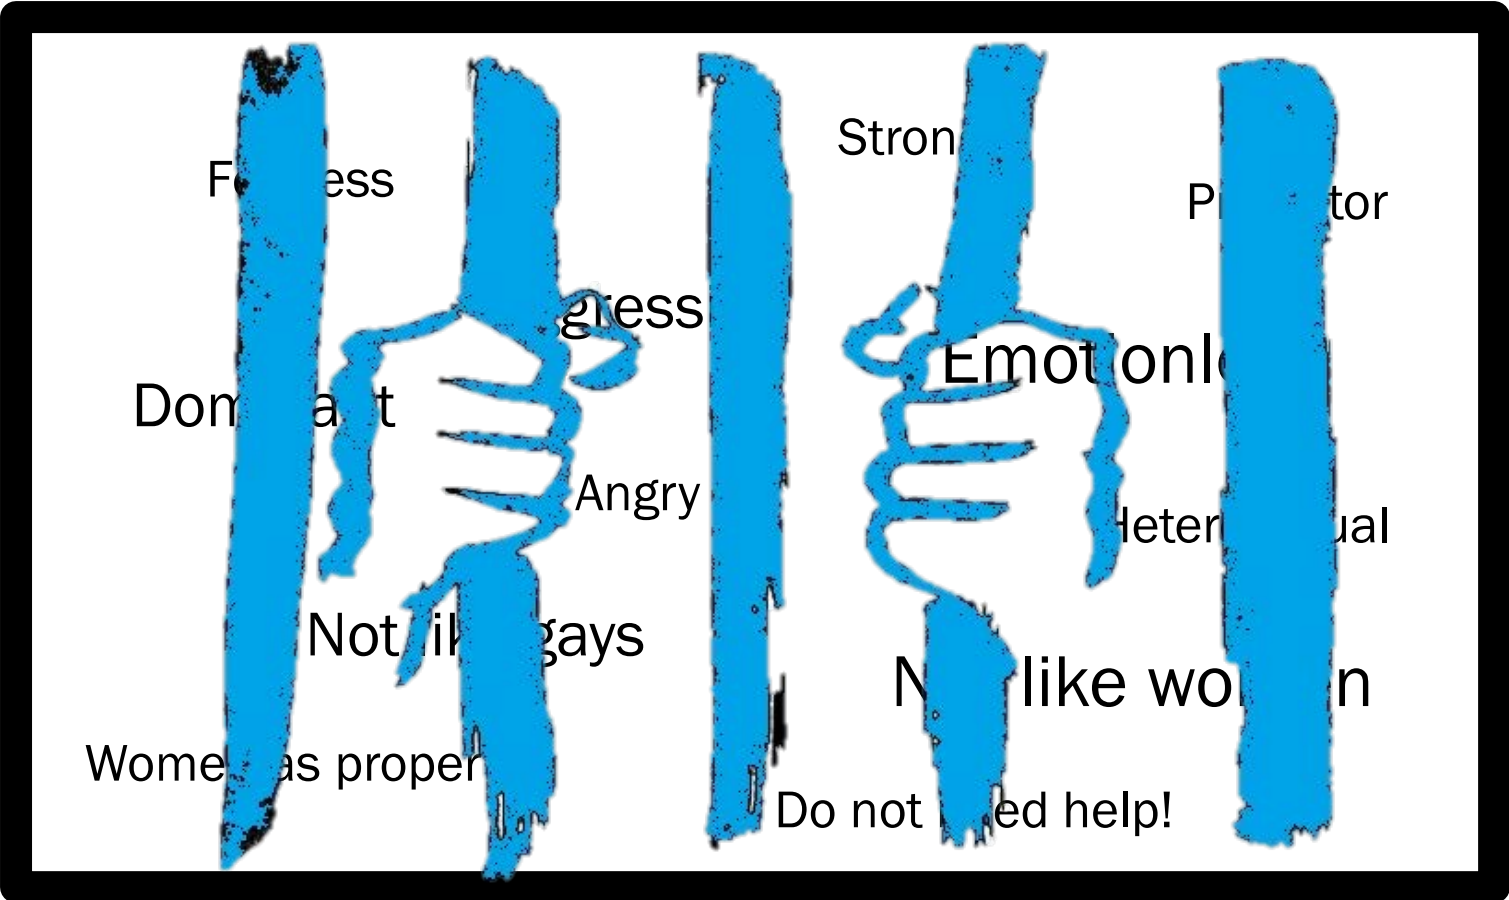

Let's talk about him!

We define a restricted box for being a man!

“Let’s teach our sons that his liberation as a man is tied to her liberation as a woman!”

Tony Porter

Thank you! :)

Let's discuss together!

1. Biologically speaking, men are required to be more strong, aggressive and dominant. Do you think is it a good reason for these behaviors these days?
2. Let's think about the same question in a cultural way!
